IATA NDC IMPLEMENTERS FORUM | GENEVA | 22ND JANUARY 2020

CONDOR IN A NUTSHELL

Facts

- 9,5 Million passengers per year
- >100 destinations in Europe, Africa and America
- 4th time in a row Germany's most popular leisure airline

PRIBAS IN A NUTSHELL

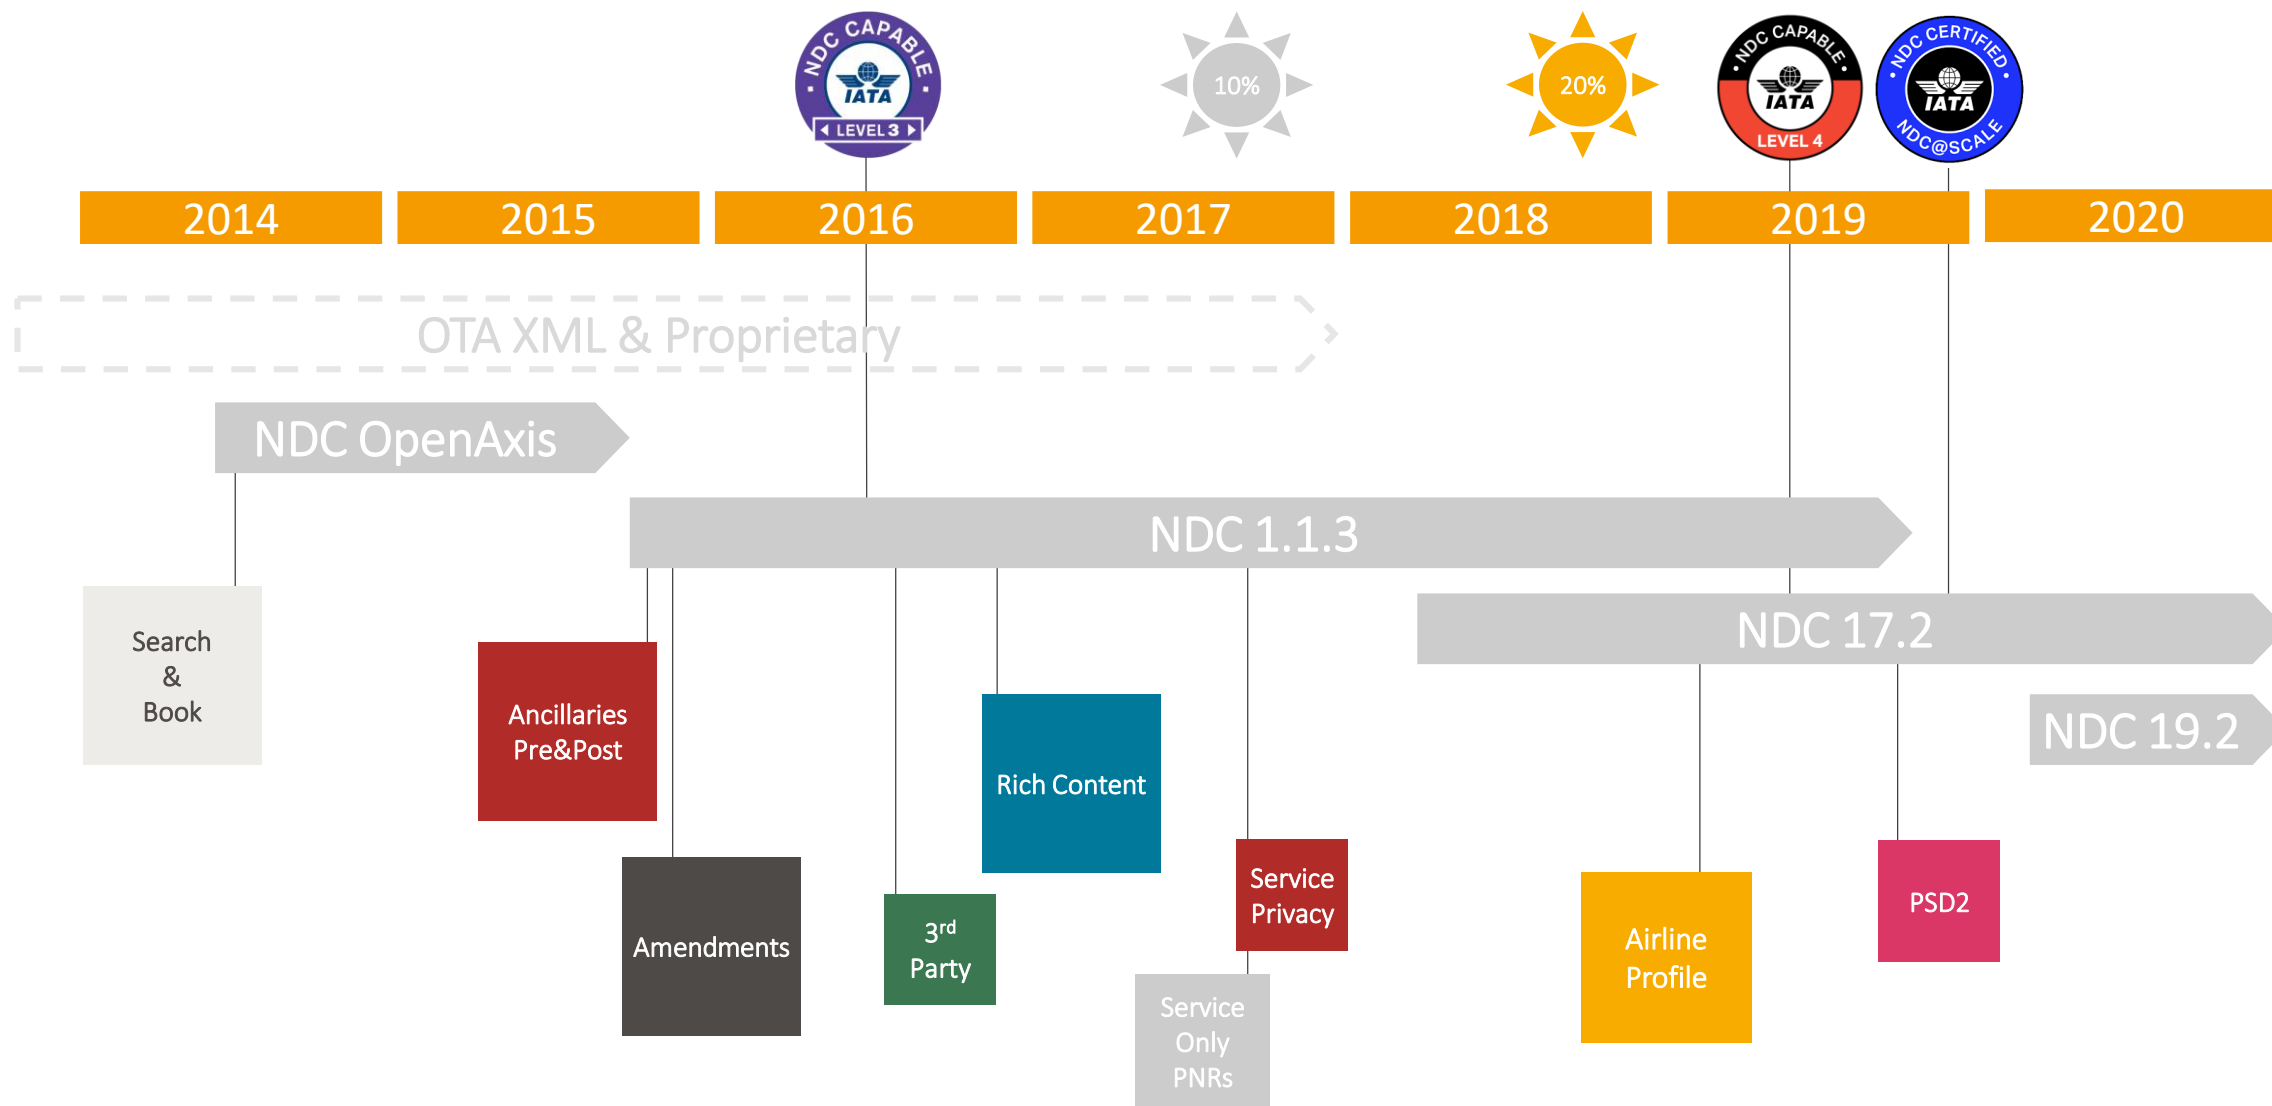

pribas airline solutions is a privately owned IT company with 30 years of expertise in the aviation industry.

The 40 employees based in Frankfurt and Antalya dedicate their current effort mainly in bringing the NDC & ONE Order standard forward and have supported Condor on their NDC journey since 2014.

Core product is the AirBroker suite, which is an inventory independent airline retailing platform based on the ONE Order concepts.

NDC@CONDOR

TECHNICAL SETUP

Performance indicators

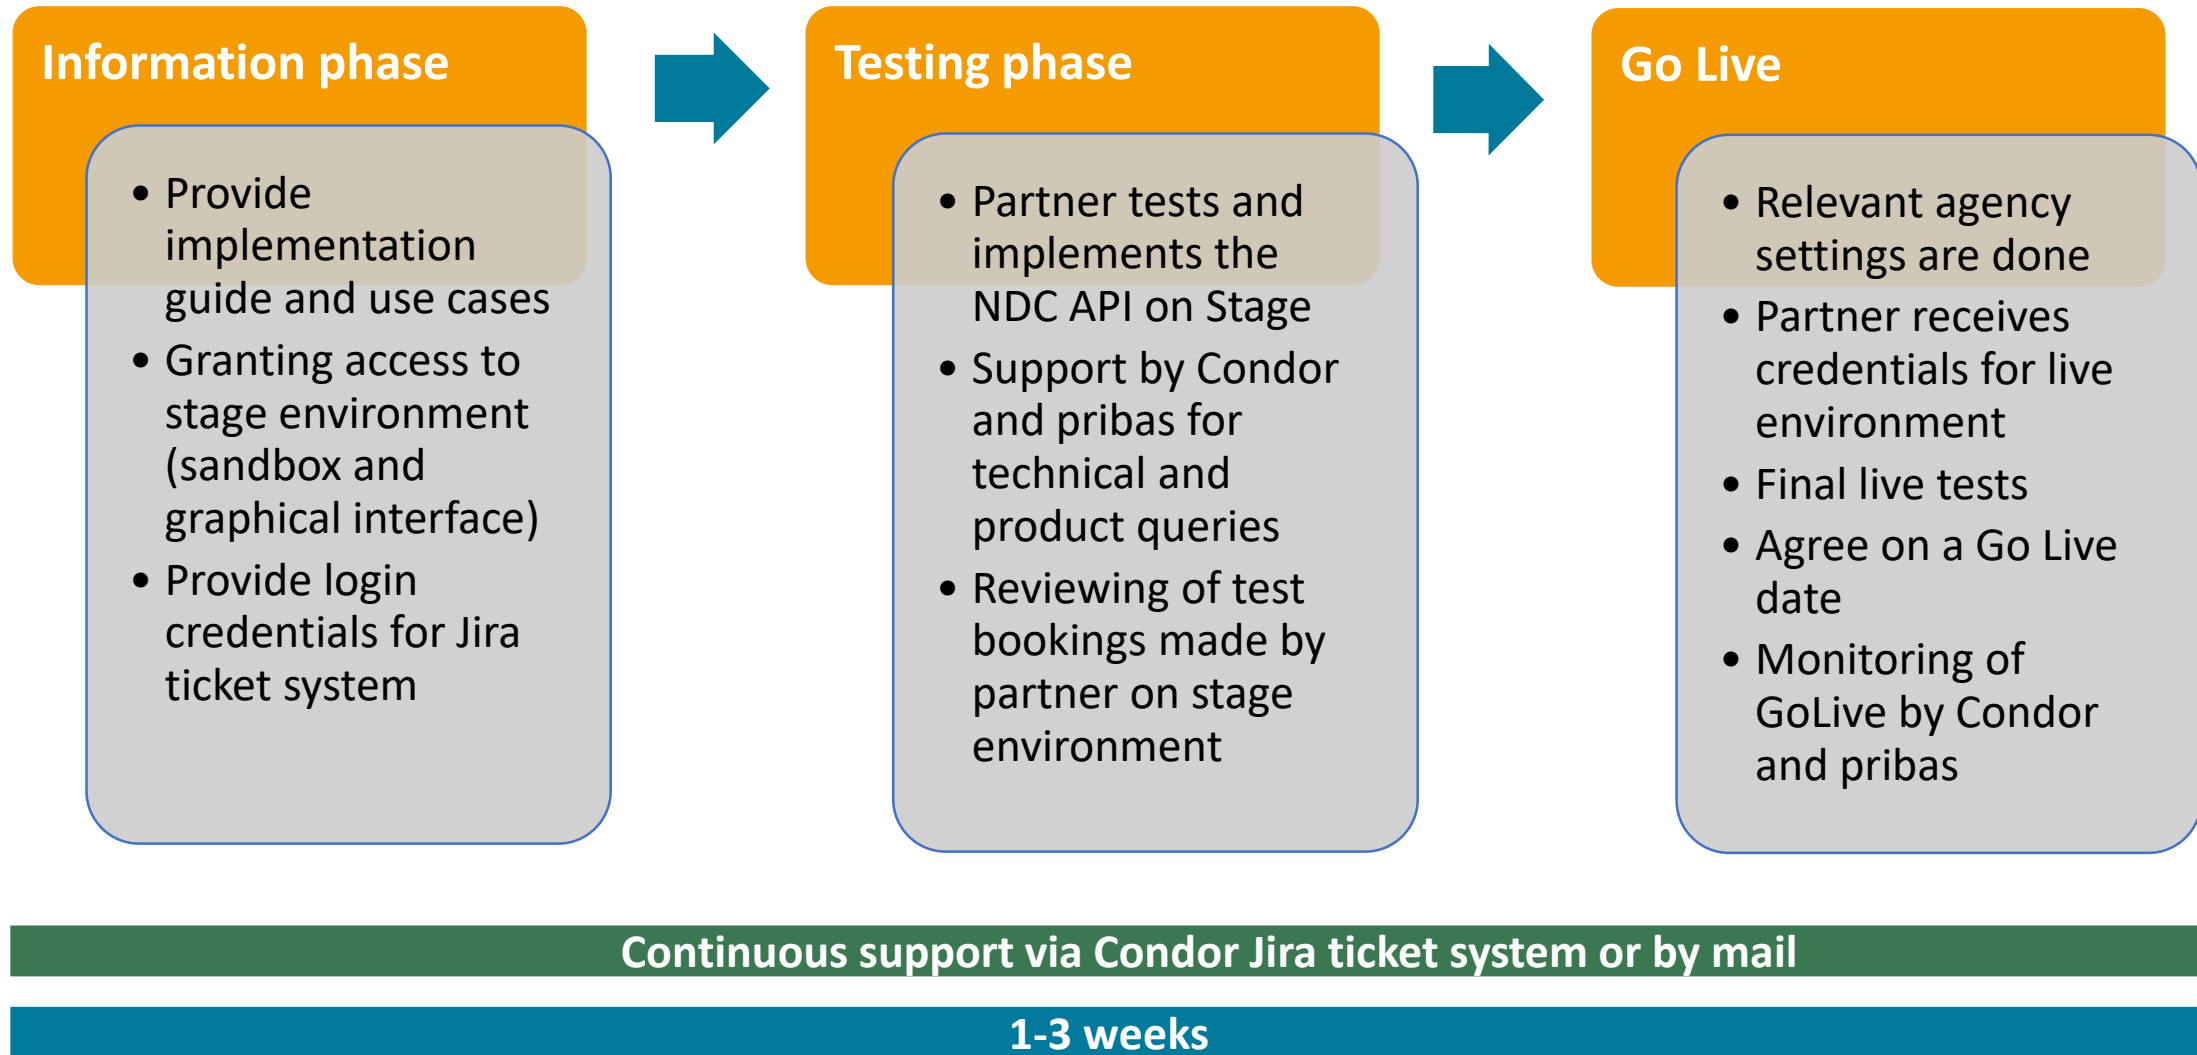

- Average, stable response time < 100ms
- System availability > 99.9%
- Peak days with 30 Mio requests / 30000 booked segments

Scalable infrastructure, cloud based

ORGANIZATIONAL SETUP

NDC@SCALE PROJECT TIMELINE

October 2019

November 2019

December 2019

◆ Kick Off

Evaluation

Implementation of missing requirements

Completion of documents

◆ Certification

SUMMARY // EXPERIENCE

Certification has been quick & easy as most prerequisites have already been met before:

- Technical Setup
- Organizational Setup
- Use Cases / Capabilities including Level 4 certification

Over the past years we have observed the growing expectations and technical needs of the market and retail partners and adopted these into our setup.

The NDC@Scale requirements largely comply with these aspects and can be seen/used as blueprint for successful use of NDC.
