Competition Law Guidelines

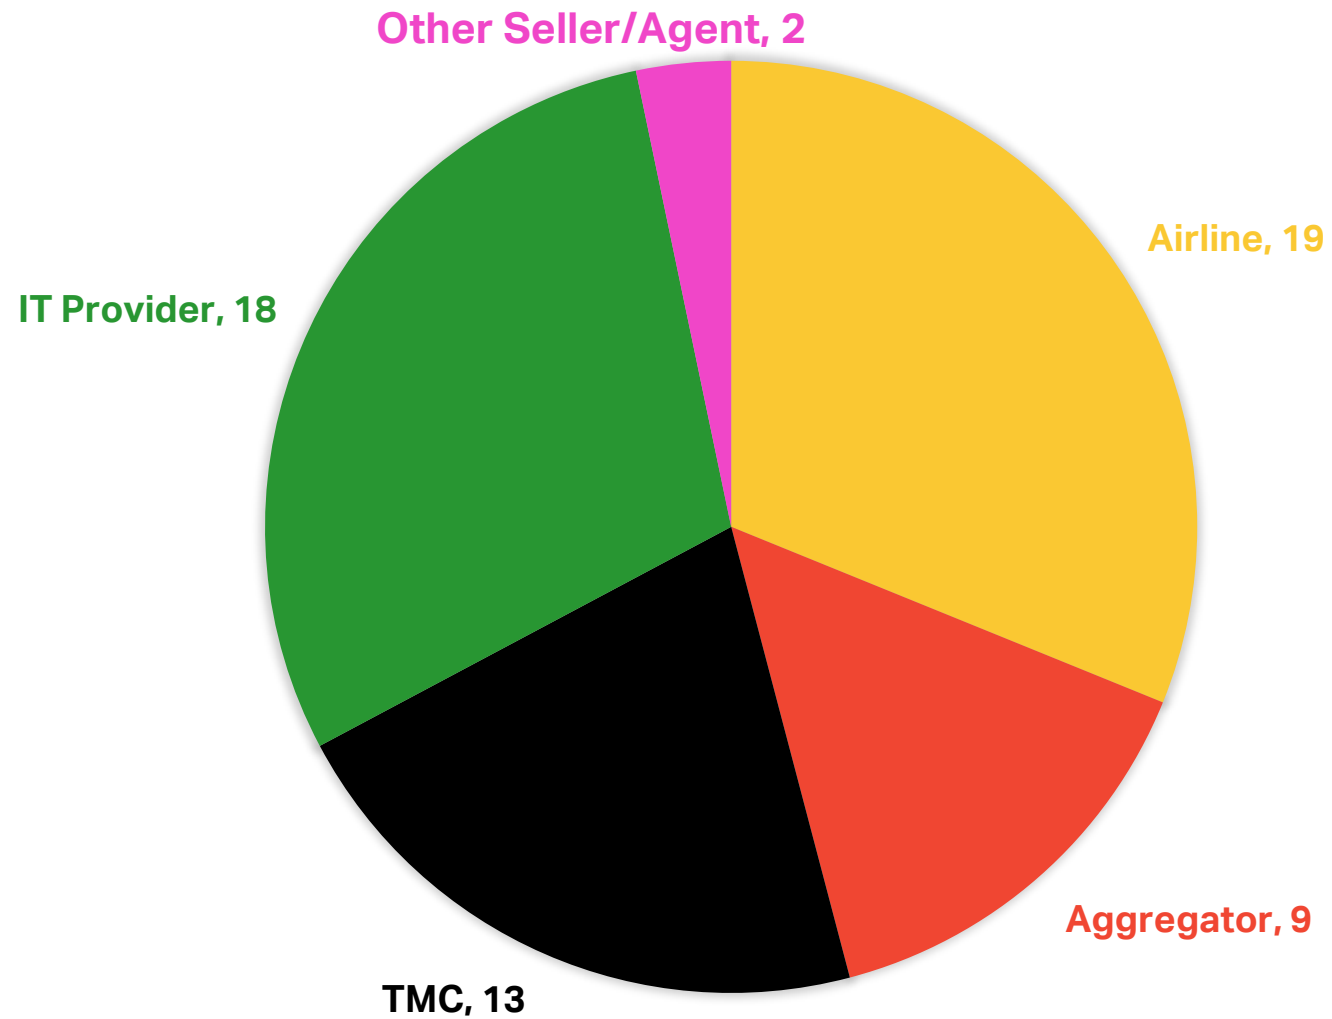

This meeting is being conducted in compliance with the Provisions for the Conduct of the IATA Traffic Conferences. Pursuant thereto, this meeting will not discuss or take action to develop fares or charges, nor will it discuss or take action on remuneration levels of any intermediaries engaged in the sale of passenger air transportation. The meeting also has no authority to discuss or reach agreement on the allocation of markets, the division or sharing of traffic or revenues, or the number of flights or capacity to be offered in any market. Delegates are cautioned that any discussion regarding such matters, or concerning any other competitively sensitive topics outside the scope of the agenda, either on the floor or off, is strictly prohibited.

The foregoing applies equally to email discussions, instant messaging and social media discussions whether directed to announced participants or other parties not present in the meeting. Participants are reminded that live streaming of this meeting to parties not present in person is not permitted except as indicated by and with the express permission and knowledge of the Chairperson and IATA and only in the event that specific participation on a given item from a party not present in person is required. Unauthorized recording of the meeting is prohibited.
