

Virtual Implementation Forum – September edition

[Register now!](#)

Dear Implementers,

IATA is pleased to invite you to participate in the Offers and Orders Implementation Forum on **30th September, 2020**.

There will be 3 focus areas in these sessions:

- Blockers to adoption – a SWAT highlight
- Identity in Offers and Orders
- Implementations in the crisis

There will be an additional 30min session for registered delegates who volunteer to do a demo or present in any of 2 key areas (maximum 6 slots, 10min per speaker):

- How you are addressing blockers to NDC adoption
- How your implementation is demonstrating value during the crisis

Let us know in your registration if you are interested and we will contact you for details. *This additional 30min demo/presentation sessions will follow the formal close of the Implementation Forum, and accessible via the same registration link.*

The detailed agenda and meeting details will be posted directly on the meeting site on <http://AIRTechZone.iata.org>.

Attendance to this event is free of charge.

IATA Hosts:

Alexandre TEIXEIRA
Manager Order Management
Transformation

Shaunelle HARRIS DRAKE
Head Implementation
Distribution

Vanni SANVINCENTI
Lead Architect Distribution

This online session will be split over 2 sessions:

- 30 September from 9:00 to 11:00 am and 15:30 to 17:30 CEST
- Register twice if you want to attend both sessions and you will receive two separate links
- Agendas and panellists will be different
- **Please ensure to add the event(s) to your calendar**

Please read the full [Terms of Reference](#) of the meeting before registering and [contact us](#) if you have any questions about this event.

After registering, you will receive a confirmation email containing information about joining the webinar. [View System Requirements](#)
