Booking Better, Together.
Booking your trip is a hassle.

Travel decisions are not made alone, but travel sites were built for individuals.
You always have to talk to someone.

When you book your group trip

or “let’s just meet at Suzie’s house to book it”

“Gamitee's plug-in is helpful and convenient for groups who book flights with us.

The plug-in was widely used and showed conversion rate and AOV increase.

Adding Gamitee to the website includes minimal hassle, minimal tech involvement, and minimal maintenance on our side.”

Gil Stav, VP marketing and sales
