RESTORING TRAVELERS’ SENSE OF SAFETY, CONFIDENCE, AND COMFORT

Elad Schaffer, CEO
Zenner
TRAVEL CAN BE A TIME CONSUMING AND STRESSFUL EXPERIENCE

- Fragmented sources of information
- Delays and cancellations
- Tight connections
- Unfamiliar airports
- Changing health & entry requirements
RESTORING TRAVELERS’ CONFIDENCE

Important steps are being taken:

✔ Aircraft cleaning and seating
✔ Baggage handling
✔ Airport sanitation and procedures

... and more

What about the traveler?
Experience – Communications – Well Being
Zenner is an AI-powered travel assistant that keeps your travelers safe, engaged, cared for and feeling Zen.
